CIVIL ACTION NO. 22-402

## COMPLAINT

**MOTION TO DISMISS WITHOUT PREJUDICE  
AND MOTION TO SEAL**

Pursuant to Federal Rule of Civil Procedure 41(a)(1)(A)(i), Plaintiff moves to dismiss this case **without** prejudice.<sup>1</sup>

Plaintiff also moves to seal and/or redact his personally identifiable information, including, but not limited to, his name, address, email address, and telephone number, from wherever they appear in public view, including, but not limited to, the docket report, the certificates of service of the Defendants' filings, and the final page of the original complaint. Because this case never moved beyond the pre-trial phase, and Defendants never filed an answer to the complaint, the public will not be prejudiced by sealing/redaction of this information.

A proposed order follows.

<sup>1</sup> Plaintiff makes this motion in light of the denial of his motion to proceed under pseudonym, and this dismissal should not be interpreted as a commentary on the merits of his case.

Respectfully submitted,  
/s/ John Doe  
Plaintiff
